(a) whether Modern system of medicine and Indian System of Medicine & Homoeopathy under CGHS have equal status, right of expansion and recruitment of various Para-medical staff;

(b) if so, the reasons for adoption of the opening of CGHS unit system under ISM&H only and dispensary system under Modern System of Madicines only;

(d) whether Government are considering to upgrade the standard of present CGHS units of ISM&H by providing some para medical staff and opening its full fledged CGHS dispensaries in future?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI SALEEM IQBAL SHERVANI): (a) to (d) The CGHS has been giving emphasis on Indian System of Medicine & Homoeopathy (ISM&H) alongwith the Allopathic System of medicine by opening full fledged dispensaries under all three systems of medicine based on the requirement, feasibility and availability of financial resources and

manpower. Even a full-fledged Ayurvedic Hospital is in operation at Lodhi Road, New Delhi.

However, lately due to constraints of finances and manpower it has been possible to open only units under the ISM&H. These units require less manpower than a full fledged dispensary and have common basic facilities with the allopathic dispenseries. Even the opening of allopathic dispensaries has been very limited due to the constraints mentioned.
